Dear Mr. Venci:

RE: Application No. 09/733,801
Filing Date: 12/09/2000
First Named Applicant: David Kenneth Johnson

Responsive to the Office Action of September 22, 2004, for which a shortened statutory period for reply was set to expire one month from the mailing date of the communication. Claims 1-21 are pending in this application. Claims 1-21 are subject to restriction and/or election requirement under 35 USC 121.

In correspondence dated January 27, 2003, Applicant affirmatively and timely responded to an Office Action dated December 31, 2002. More than 18 months after Applicant's timely response to said Office Action, the instant Examiner has notified Applicant of the discovery of additional patentably distinct inventions, identified as follows.

- I. Claims 1-8, drawn to organometallics, classified in class 558, subclass 1, for example.
